

1<sup>st</sup> June 2023

Dear Hiring Manager,

I am writing to express my interest in the position of Web Developer. I am currently pursuing a postgraduate degree in Computer Software and Database Development at Lambton College in Mississauga, Canada and have experience to develop websites. As of now, I am looking for Coop opportunities and future opportunities.

I'm certain that my abilities and professional history are well suited to the position's specific needs. As an attachment to my cover letter, I've included my resume, which you may use to assess my educational history and qualifications further. I have worked as a front-end developer. Developed and created visually appealing user-friendly web pages through JavaScript, CSS, and its frameworks also Maintained, Improved, and optimized websites for better performance and stability.

I'm happy to be applying to the organization which will help me to improve my skills and knowledge. As a Software developer, my insatiable curiosity, sharpened creativity, and expertise on JavaScript and on its frameworks/technologies will assist organization the most.

Please see attached my resume. Kindly contact me by email or phone if I can be of additional assistance. I'm looking forward to meeting with you to discuss the opportunity in further depth and my credentials. Kindly email me if you need any other information.

Thank you for your time and consideration.

Sincerely,

Archan Bhatta
